

A. YARDE

This man's name can't be found elsewhere on the School Register of Buckland St Mary or Otterford, nor on the Absent Voters Register. With no other guide than a single initial tracing him is difficult. We hope for further information.

Enquiries among the descendants of the Yarde family also finishes in a dead end – in fact they wonder if his name is an error, and that he's one and the same as A. H. Yarde
